MASONIC.

Conclave of the New York Grand Commandery-Temple Notes-

The annual conclave of the grand commandery of New York Knights Templars was held at Saratoga. Officers were elected as follows: Commander, James W. Bowden; deputy commander, Horace A. There is no such thing as life membership in English Masonic bodies or on the continent. Missouri requires that all newly made Master Masons shall be required to stand examination in open lodge on the lecture of the degree of Master Mason within six

months after conferring the degree. In some lodges in Germany the balloting is threefold—accepting, deferring and

rejecting. There are now 26 state Masonio veteran associations. The national association will hold its second meeting at Boston in 1895.

There are 4,861 Master Masons in the state of Washington. The Masonie Home, 8833 North Broad street, Philadelphia, a short time alnce re-ceived from the estate of the late Bro.

Dr. Alexander's illness has been almost continual for ten weeks. At various times it has taken the form of ma-larial fever, typhoid fever, peritouitis and perforation of the bowels. Ten days ago Dr. Alexander felt so fully recovered that he dressed for the first time in many weeks and went to the funeral of his staunch friend, Charles Martin. Dr. Alexander was up several days and in that time gained fully ten pounds. The exertion was too much for his wasted strength however, and early last week he was compelled to resume his bed. Up to Saturday night strong hopes were entertained for his recovery. but at that time the perforation of the bowels first appeared in such a malignant form as to cause much anxiety. He

grew steadily worse since.

His physicians, Dr. Munn and Dr. Mc-Guire, labored with him all night, but early this morning announced that their patient was dying, with no possible hope

of recovery.
